

Incident Report:	25/2010
Date/Time¹ of Incident:	24 Oct 10 at or about 1620 hrs
Location of incident:	1° 1.4' S, 104° 29.4' E
Area Description:	Approximately 8 nm east of Selat Berhala, Indonesia
Name and Type of Ship:	<i>Surya Putra 5</i> , Tug Boat

Details of Incident

On 24 Oct 10 at or about 1620 hrs, a Singapore-registered tugboat, *Surya Putra 5* was underway approximately 8 nm east of Selat Berhala, Indonesia (1° 01.4' S, 104° 29.40' E) when two boats with 11 robbers armed with knives and parangs came alongside. The robbers demanded Marine Gas Oil (MGO) from the crew and threatened them when they expressed reluctance to give in as they may not have enough fuel left to reach their destination Palembang, Indonesia. Later, the robbers prevailed and escaped in their boats taking with them three drums of MGO. The crew was not injured. No personal belonging of the crew was stolen.

The ship manager of the vessel reported the incident to ReCAAP ISC and Singapore's Port Operations Control Centre (POCC), which is also the ReCAAP Focal Point (Singapore).

accommodation but were unsuccessful. The robbers then disembarked on their fast boat and proceeded to board the barge where they stole ship's store such as lifebuoy light and mooring ropes before escaping.

Comments by ReCAAP ISC

The ReCAAP ISC advises ship masters, especially low free board vessels /tugs transiting the area to take necessary precautions and exercise vigilance at all times and exercise adequate boarding protection measures in tune with the BMPs. If possible the vessels are advised to avoid transiting closer to land. Ship masters are also advised to report all actual and attempted incidents to the Coastal State immediately.
