### AREA OF CONCERN

The ReCAAP ISC advises ships to continue to exercise vigilance while underway or at anchor/berth at ports/anchorage; and the law enforcement agencies to enhance surveillance, increase patrols and respond promptly to reported incidents.

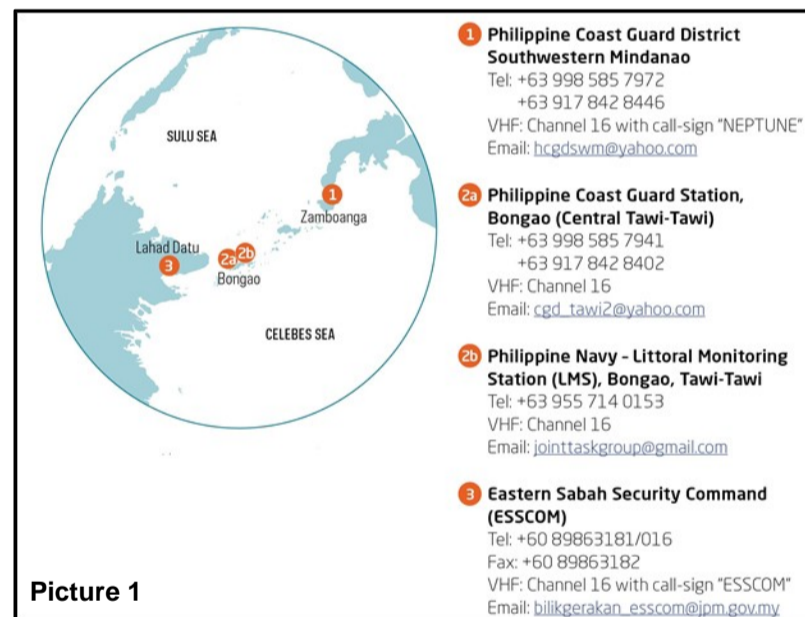

### SITUATION OF ABDUCTION OF CREW IN THE SULU-CELEBES SEAS AND WATERS OFF EASTERN SABAH

#### Downgrading of threat level

- The Philippine Coast Guard (PCG), after careful consideration of inputs from stakeholders and counterparts with vital involvement in securing the Sulu-Celebes Seas maritime security measure, recommends the downgrading of the threat on the 'Abduction of Crew for ransom in the Sulu-Celebes Seas' from 'POTENTIALLY HIGH' to 'MODERATE'. The MODERATE threat level implies that '**Incidents are possible to occur but are relatively less severe in nature**'.

#### Update of ReCAAP ISC Advisory

- As the threat of abduction of crew in the Sulu-Celebes Seas has diminished since January 2020 due to successful military operations and robust law enforcement initiatives, the ReCAAP ISC updates its Advisory to all ships to **consider re-route from the area as an option based on its prerogative**.
- For ships transiting the area, the **ship masters and crew are strongly encouraged to exercise extra vigilance and report** all incidents immediately to the Operation Centres of the Philippines and Eastern Sabah Security Command (ESSCOM) of Malaysia. The **Contact Details** of the Operation Centres of the Philippines and ESSCOM of Malaysia are as shown in Picture 1.

<sup>1</sup> **Actual incident** is incident where pirates/robbers boarded the ship; and regardless of whether they stole any items from the crew or took away any items found on board the ship.

<sup>2</sup> **CAT (Category) 2** incident is moderately significant. Under this category, the perpetrators are likely to be armed with knives/machetes and in some incidents armed with guns. The crew is threatened or held hostage temporarily and, in some cases, the crew suffered injury and physical violence.
