SITUATION OF ABDUCTION OF CREW IN THE SULU-CELEBES SEAS AND WATERS OFF EASTERN SABAH

Downgrading of threat level

- The Philippine Coast Guard (PCG), after careful consideration of inputs from stakeholders and counterparts with vital involvement in securing the Sulu-Celebes Seas maritime security measure, recommends the downgrading of the threat on the 'Abduction of Crew for ransom in the Sulu-Celebes Seas' from 'POTENTIALLY HIGH' to 'MODERATE'. The MODERATE threat level implies that '**Incidents are possible to occur but are relatively less severe in nature**'.

Update of ReCAAP ISC Advisory

- As the threat of abduction of crew in the Sulu-Celebes Seas has diminished since January 2020 due to successful military operations and robust law enforcement initiatives, the ReCAAP ISC updates its Advisory to all ships to **consider re-route from the area as an option based on its prerogative**.
- For ships transiting the area, the **ship masters and crew are strongly encouraged to exercise extra vigilance and report** all incidents immediately to the Operation Centres of the Philippines and Eastern Sabah Security Command (ESSCOM) of Malaysia. The **Contact Details** of the Operation Centres of the Philippines and ESSCOM of Malaysia are as shown in Picture 1.
